STATINTL

SUBJECT: HAC Investigative Staff Report on Training

1. Action Requested: Please include the attachment in the overall paper being prepared in DDA which addresses section V, paragraph D of the HAC Investigative Staff Report on Training.

2. Background: An overall paper is being prepared in the DDA to comment on the HAC Investigative Staff Report on Training. This portion, prepared by OC, must be amalgamated with the portions being prepared by others. We see no pros or cons of the issue except as stated in the attachment. Alternatives are as stated in the attachment. The recommended alternative contained in the attachment originated in a meeting with the DDA, AD/CO and DC/OTR. Therefore, we assume the DDA will support the alternative and the AD/CO will support the alternative because it was arrived at jointly.

3. Staff Position: Chief, [REDACTED] supports this option. STATINTL

4. Recommendation: It is recommended that the DDA include the attachment in the overall paper discussed above.
